University of New Mexico
Head Baseball Coach 2008-2021

November 2025

To Whom It May Concern:

In 43 years of coaching in college baseball, I can count on two hands the elite young men I have coached or helped. Names like Paul Skenes, Aaron Judge, etc., are on the list of young men I have associated with or helped.

Devan Johnson is one of those young men. He displays all the characteristics of leadership, team, intelligence, work ethic, and professionalism that Paul and Aaron displayed.

First class young man!

Hire him!

Sincerely,

Ray Birmingham
